Ripon Municipal Code Title 16, Chapter 16.88

16.88.050 Development Requirements

A. Sale of Merchandise. There shall be no sales or display of products not produced on the premises, and no show window or window displays to attract customers. However, the address of the home occupation shall be allowed to be put on advertising (i.e. business cards, yellow pages, etc.)

B. Appearance. There shall be no external alteration of the appearance of the dwelling in which the home occupation is conducted that would reflect the existence of the home occupation, and there shall be no exterior sign.

C. Traffic. Pedestrian and vehicular traffic is limited to that normally associated with residential districts, and the business shall not generate any significant additional vehicular traffic. Deliveries of products or materials connected with the business shall not exceed one per week.

D. Size Limits. One room or twenty (20%) percent of the floor area of the main residence, whichever is greater, may be used for the home occupation and any related storage of materials and supplies.

E. Clients/Customers/Employees. Clients/ Customers shall not visit the home, unless receiving approval from the Planning Commission, and all employees working within the home must be members of the resident family and shall reside on the premises.

F. Location. The home occupation shall be confined within the main building. A detached garage is considered as part of the main building, When conducted in a garage, the home occupation cannot eliminate the use of the garage as space for the required parking.

G. Emissions and Noise. Dust, noise, odor, vibration, fumes, or smoke shall not be created so that they are readily discernable at the exterior boundaries of the parcel used for the home occupation. Electrical or mechanical equipment that creates audible interference in radio receivers or visual or audible interference in televisions receivers or causes fluctuation in line voltage outside the dwelling is prohibited.

H. Vehicles. No more than one truck of not more than one ton capacity may be kept on the site. Any vehicle, trailer, or wheeled equipment incidental to the home occupation must be kept within an enclosure or behind the front setback of the residence. All vehicles shall be owned or leased by the occupant of the dwelling (Ord. 606, 1999)

16.88.060 Prohibited Uses

Those uses prohibited under this chapter shall be established by resolution of the planning commission.
