Public Discussion:

Approval of Minutes: Motion was made by Commissioner E. Newland to approve the minutes from the July 20, 2015 meeting. Seconded by R. Combley and approved Unanimously.

Unfinished Business:

Anti-bullying classes – Discussed about videoing the classes, and due to the privacy of attendees, we felt that it shouldn't be done. We would have the presenter's segments saved and then proceed to get permission to distribute.

Health Fair - We received a list of the vendors that received applications for the health fair. Some vendors on the list include: Dr.'s Hospital – Manteca, State Gourmet Food, Norwex, and the Dept. of Pesticides regarding regulations of the safety of the field workers and home use products.

We'll to check on the venue for the Health Fair to make sure it will be the same as the prior year. R. Combley stated that we would still like to add more vendors. We would like to see more screening booths, ex: glucose testing.

October 8th is our deadline for applications returned.

New Business:

Discussed the Chalk Art contest and we're deciding to have it at the Health Fair instead of the Almond Blossom Festival in the future. The art teacher at the high schools could nominate a student to do a special assignment in participating in the chalk art event. Also it was suggested to have the teachers at each elementary school select a student to participate in the Chalk art event. D. Ratto would be in contact with the art teacher(s) to find out their thoughts on how we can proceed with the details of the chalk art event..

The bill for the signs used for the bullying classes has been paid for the amount of \$720.00.
