2024 Large Item Pick-up Program

The City of Ripon is offering a service for residential customers to conveniently dispose of **LARGE** household items during the months of **April—September**. Residential customers are offered one complimentary, scheduled pick up during this period. Please schedule early, as pick up dates are limited. If you have items to dispose of, please carefully read the following procedures and regulations.

- ⇒ This is a **one-time scheduled service** per year for residential utility customers only.
- ⇒ There is a limit of **four (4) LARGE items** per household. Items that are small enough to fit in garbage can will not be picked up.
- ⇒ Items must be placed on the street next to the curb in a manner that does not obstruct vehicles or pedestrians path of travel. If your scheduled pick-up date falls on your regular garbage day, please keep your can(s) 5-10 feet away from items.
- ⇒ Items will only be picked up if you are scheduled and have a confirmation number.
- ⇒ Items **must be out by 7:00 am** on your scheduled day, but no earlier than 24 hours prior to pick up day. **Items that are not out on time will not be rescheduled.** Items must be removed off of street if put out too late on pick-up day or rejected (unacceptable item, too many items).

TO SCHEDULE YOUR PICK UP: VISIT cityofripon.org, click the “**I WANT TO**” tab, then click “**Sign-up for a Large Item Pick-up**” and fill out the online form. You will receive your pick-up date and confirmation number via e-mail within 3 business days. **OR COME IN PERSON** to the Public Works Department, fill out the Large Item Pick-up form and receive your pick-up date and confirmation number.
